Bonnie Strong/ Vice President 2015...[bstrong@opnc.org](mailto:bstrong@opnc.org)

## What is A Neighborhood Council?

In 1999 The City Charter System was created to allow those who live, work or worship in a particular neighborhood i.e. "Stakeholder an opportunity to have a voice in community and city decisions".

OPNC was officially chartered in 2003, as part of The City's Neighborhood Council. The purpose of the Council is to participate as a body per City Charter on issues concerning our neighborhood and regarding the governance of the City of LA in a transparent, inclusive, collaborative, accountable and viable manner. We have 19 Board Member Seats.

## Who are our Customers?

You, the stakeholders who live and work within our boundaries, and local businesses.

## What Is Our Vision:

To be inclusive of all Stakeholders regardless of race creed or religion. We want Safer neighborhoods, Businesses that bring value to our community. The ability to use libraries, Parks, and Public Schools located in our community.

POLICE • COMMUNITY PARTNERSHIPS

## Goals:

To get you involved, and help with your concerns and issues. Once we get you involved, to retain your interest through the availability of our committee services.

## Accomplishments:

We have successfully created a partnership with businesses in the Area to keep them aware of your concerns and needs. We have filtered out and rejected businesses that Stakeholders felt weren't an asset to the community. We have recognized Historic Areas and have worked to Preserve them. Funded National Night Out, Held Town Hall Meetings, Wellness and Health Fairs, Clean Up Projects. (Cleaned Up Pico Blvd), Funded School Projects, Attend Neighborhood Meetings, Attend Meetings At City Hall which enables us to give you correct information, Attend Meeting by our Elected Federal Officials to keep them aware of what is needed in our community. Participate in Community Impact Statements.

## Our Boundaries

The Olympic Park Neighborhood Council includes 20,000 residents. The boundaries are described as follows:
